How we work to nourish the world

We are a family company providing food, ingredients, agricultural solutions and industrial products to nourish the world in a safe, responsible and sustainable way. We connect farmers with markets, customers with ingredients, and families with daily essentials.

How we make a difference

Making connections

Sitting at the heart of the global supply chain, we bring people together to make the world's food and agriculture system more sustainable, resilient and accessible.

Bringing perspective

With over 159 years of experience, we offer trusted expertise and a long-term view, so we can do the right thing — today and for generations to come.

Thinking ahead

We listen and we care, so we can anticipate and meet our customers' needs and innovate with purpose in an everchanging world.

Partnering sustainably

With sustainability embedded in our purpose, it's part of everything we do. We build sustainable supply chains that benefit people and the planet we share.
